Camp Philosophy

The Mission Trails Tennis Academy rests on the shores of Lake Murray, a hidden jewel nestled in the valley of the majestic Mission Trails Regional Park. The Academy is located at Lake Murray Tennis Club, a 10 court facility that is one of the best kept secrets in San Diego. In addition to an active tennis community, year round court visitors include beautiful birds, high soaring hawks and friendly wildlife.

Kids 10 and Under will thrive with the new QuickStart Format, which matches a child's age and size to smaller courts, appropriate equipment and kid-friendly games. Children ages 11 to 18 at all skill levels will experience stroke improvement, fundamental and advanced match play strategies for both singles and doubles. High school players can better prepare for their upcoming tennis leagues and seasons.

All kids will emerge with a improved skills and an increased love of the game of tennis. Also, campers will make new friends and have a great summer at Mission Trails Tennis Academy. See you at the courts!
